Chinese American Masculinities From Fu Manchu To

Mark Chung Hearn

Chinese American Masculinities From Fu Manchu To:

Chinese American Masculinities Jachinson Chan, 2020-04-03 This book is one of the first scholarly analyses of the current social constructions of Chinese American masculinities Arguing that many of these notions are limited to stereotypes Chan goes beyond this to present a more complex understanding of the topic Incorporating historical references literary analysis and sociological models to describe the construct a variety of masculine identities Chan also examines popular novels *Fu Manchu* and Charlie Chan films Bruce Lee comic books *Master of Kung Fu* and literature *M Butterfly* Chinese American Literature without Borders King-Kok Cheung, 2017-02-18 This book bridges comparative literature and American studies by using an intercultural and bilingual approach to Chinese American literature King Kok Cheung launches a new transnational exchange by examining both Chinese and Chinese American writers Part 1 presents alternative forms of masculinity that transcend conventional associations of valor with aggression It examines gender refashioning in light of the Chinese dyadic ideal of *wen wu* verbal arts and martial arts while redefining both in the process Part 2 highlights the writers formal innovations by presenting alternative autobiography theory metafiction and translation In doing so Cheung puts in relief the literary experiments of the writers who interweave hybrid poetics with two pronged geopolitical critiques The writers examined provide a reflexive lens through which transpacific audiences are beckoned to view the other country and to look homeward without blinders Gendering the Trans-Pacific World, 2017-03-06 As the inaugural volume of the new Brill book series *Gendering the Trans Pacific World* *Diaspora Empire and Race* this anthology presents an emergent interdisciplinary and multidisciplinary field that highlights the inextricable link between gender and the trans Pacific world The anthology features twenty one chapters by new and established scholars and writers They collectively examine the geographies of empire the significance of intimacy and affect the importance of beauty and the body and the circulation of culture This is an ideal volume to introduce advanced undergraduate and graduate students to Transpacific Studies and gender as a category of analysis *Gendering the Trans Pacific World* *Diaspora Empire and Race* is now available in paperback for individual customers Religious Experience Among Second Generation Korean Americans Mark Chung Hearn, 2016-05-26 This book explores the ways through which Korean American men demonstrate and navigate their manhood within a US context that has historically sorted them into several limiting often emasculating stereotypes In the US Korean men tend to be viewed as passive non athletic and asexual or hypersexual They are often burdened with very specific expectations that run counter to traditional tropes of US masculinity According to the normative script of masculinity a man is rugged individualistic and powerful the antithesis of the US social construction of Asian American men In an interdisciplinary fashion this book probes the lives of Korean American men through the lenses of religion and sports Though these and other outlets can serve to empower Korean American men to resist historical scripts that limit their performance of masculinity they can also become harmful Mark Chung Hearn utilizes ethnography participant observation and interviews

conducted with second generation Korean American men to explore what it means to be an Asian American man today

Beyond The Chinese Connection Crystal S. Anderson, 2013-06 Examines the rise of post 1970s Afro Asian cultural production that embodied the aspirations and contradictions entailed in forging Black Asian identification and solidarity

Racial Attitudes and Asian Pacific Americans Karen Kurotsuchi Inkelas, 2006 This study examines the complex sources and implications of the racial attitudes of Asian Pacific American APA college students who as one of the fastest growing demographics in higher education enrollments play an increasingly significant role in campus race relations

Race in American Film Daniel Bernardi, Michael Green, 2017-07-07 This expansive three volume set investigates racial representation in film providing an authoritative cross section of the most racially significant films actors directors and movements in American cinematic history Hollywood has always reflected current American cultural norms and ideas As such film provides a window into attitudes about race and ethnicity over the last century This comprehensive set provides information on hundreds of films chosen based on scholarly consensus of their importance regarding the subject examining aspects of race and ethnicity in American film through the historical context themes and people involved This three volume set highlights the most important films and artists of the era identifying films actors or characterizations that were considered racist were tremendously popular or hugely influential attempted to be progressive or some combination thereof Readers will not only learn basic information about each subject but also be able to contextualize it culturally historically and in terms of its reception to understand what average moviegoers thought about the subject at the time of its popularity and grasp how the subject is perceived now through the lens of history

Pop Empires S. Heijin Lee, Monika Mehta, Robert Ji-Song Ku, 2019-07-31 At the start of the twenty first century challenges to the global hegemony of U S culture are more apparent than ever Two of the contenders vying for the hearts minds bandwidths and pocketbooks of the world s consumers of culture principally popular culture are India and South Korea Bollywood and Hallyu are increasingly competing with Hollywood either replacing it or filling a void in places where it never held sway This critical multidisciplinary anthology places the mediascapes of India the site of Bollywood South Korea fountainhead of Hallyu aka the Korean Wave and the United States the site of Hollywood in comparative dialogue to explore the transnational flows of technology capital and labor It asks what sorts of political and economic shifts have occurred to make India and South Korea important alternative nodes of techno cultural production consumption and contestation By adopting comparative perspectives and mobile methodologies and linking popular culture to the industries that produce it as well as the industries it supports Pop Empires connects films music television serials stardom and fandom to nation building diasporic identity formation and transnational capital and labor Additionally via the juxtaposition of Bollywood and Hallyu as not only synecdoches of national affiliation but also discursive case studies the contributors examine how popular culture intersects with race gender and empire in relation to the global movement of peoples goods and ideas

Asian Americans and the Shifting Politics of Race Rowena

Robles,2013-09-13 Asian Americans and the Shifting Politics of Race examines the political and discursive struggles around the dismantling of race based admissions policies in an elite public high school in San Francisco The book analyzes the arguments put forth by plaintiffs in and the media s depiction of the case Brian Ho Patrick Wong Hilary Chen v SFUSD The Ho lawsuit filed by a group of Chinese Americans challenged race based admissions policies that were intended to ensure diversity by giving special consideration to African American and Latino students Robles argues that the Ho plaintiffs exploited the dominant racial construction of Asian Americans as model minorities to portray themselves as victims of discrimination and relied on contrasting constructions of Black and Latino students as undeserving and unqualified beneficiaries of affirmative action The decision in favor of the plaintiffs effectively ended school desegregation racial balance and affirmative action in San Francisco In order to examine the consequences of the Ho decision on student attitudes Robles spent four years studying and observing the first cohort of students to enter the high school after race was eliminated from admissions considerations

Almost All Aliens Paul Spickard,2009-05-07 Almost All Aliens offers a unique reinterpretation of immigration in the history of the United States Leaving behind the traditional melting pot model of immigrant assimilation Paul Spickard puts forward a fresh and provocative reconceptualization that embraces the multicultural reality of immigration that has always existed in the United States His astute study illustrates the complex relationship between ethnic identity and race slavery and colonial expansion Examining not only the lives of those who crossed the Atlantic but also those who crossed the Pacific the Caribbean and the North American Borderlands Almost All Aliens provides a distinct inclusive analysis of immigration and identity in the United States from 1600 until the present For additional information and classroom resources please visit the Almost All Aliens companion website at www.routledge.com/textbooks/almostallaliens
