Deception Of Islam:

A Lie Told Often Enough Becomes The Truth Eric Schaeffer,2021-01-30 What is the most destructive weapon of all time Is it a stick A rock Sword Gun Atomic Bomb Each of these is responsible for their fair share of pain and suffering but none have come close to the amount of destruction caused by one other weapon This weapon does not look like other weapons and it appears far less threatening Most of the time its work goes unnoticed by its victims One minute it can be seen in a room full of military advisors and the next it can be in the hands of a man sitting on a park bench It can be waved overhead by an angry mob and it can be beside a mother as she feeds her baby When an enemy wants to conquer a group of people his or her first tactic is not always physical harm Their first and often most successful tactic is to change people s minds After all why should an enemy try to kill a group of people when he or she can enslave them instead Propaganda is the most destructive weapon of all time The art of deceiving the masses has been responsible for more pain and suffering than anyone can calculate All a strategic enemy has to do is articulate his or her deception in a convincing way then repeat it so often that the people begin to embrace it In other words A lie told often enough becomes the truth What makes propaganda so powerful is that people do not know they are under attack until it is too late In this way it can be comparable to rat poison Rat poison is made up of 95 percent corn and 5 percent poison When an unsuspecting rodent comes upon it he thinks it is safe to eat as the majority of rat poison smells like food and tastes like food However it is that 5 percent that will kill him Likewise the most effective lie is the one wrapped in truth In many countries Muslims are instructed to study and memorize the Qur an from the time they are toddlers This narrative is repeated so often that it creates a stronghold in the mind and the children eventually learn to accept the narrative as truth A bias sets in that prohibits these individuals from looking at other views objectively For centuries Islamic scholars have been taking advantage of whole nations with this method of indoctrination These practices seem to be especially effective in areas where education is limited This is an unfortunate dilemma especially in light of the many errors found in the Islamic writings The goal of this book is to expose the falsehoods and manipulations found within Islam This will be accomplished by doing a comparative study of the Qur an Hadith the Bible and historical evidence This material when examined unbiasedly provides convincing evidence that the Qur an is not preserved historically accurate or a direct message from God It is the hope of the author that the reader will take the time to test and approve this material not with an indoctrinated and biased perspective but with equal scales and sound scholarship The Puppet Master of Islam Richard Bennett,2022-09-01 To understand the dangers imposed upon the world by Allah Muhammad and the angel of light you must look at Islam through the eyes of Christianity Hal Lindsey one of the true futurist preachers of our time wrote in The Late Great Planet Earth that there are only two sources of the supernatural The God of the Bible followed by Christians and the god of this world followed by Muslims who is described as an angel of light 2 Corinthians 11 14 This is the angel that visited Muhammad and introduced Allah into the world In the beginning Muhammad thought he was possessed He spent

years convincing himself that he was not. Many however believe that what Muhammad suspected about demonic possession may be true. It took a great deal of persuasion by Muhammad's first wife Khadija to convince him that his encounter may have been divine as opposed to demonic in origin. She was instrumental in the birth of the prophet becoming a reality. Discover the evil of Islam and how we know that the apparition that spoke to Muhammad was likely an evil spirit in *The Puppet Master of Islam* **The Quran** John W. Tharp, 2011-04. The author examines here his belief that Islam is nothing more than trickery on the part of Satan to guide the inattentive Christian astray.

ISLAM: THE GREAT EXPOSÉ Mkoma Yi, 1900. Muslims boast to all and sundry that they are the followers of the true religion of Abraham but beneath the lofty claim are Muslim scholars, leaders and apologists' presumptuous efforts to conceal the religion's thriving pagan bedrock. In an attempt to bridge over the vast chasm between paganism and monotheism, Islam through unsubstantiated links to Ishmael audaciously placed Abraham, Hagar and Ishmael in Mecca and then attributed Abrahamic legends to pagan beliefs, practices and rituals. Moreover, Mohammed the prophet of Islam was unashamedly presented as a monotheist in the midst of pagan Mecca despite irrefutable evidence that proves he was habitual pagan. Similarly, brazen attempts to morph the pagan god Allah into the God of the Bible were made but to all intents and purposes in vain. This book delves into the lofty claims of Islam and dispels common misconceptions about the religion. Through meticulous analysis of Islamic scriptures, the book presents evidence to support its assertions. It also examines the uncensored history of the religion to expose its obscure beginnings, shortcomings, subsequent cover ups and outright deceptions. Additionally, Islamic scriptures have been successfully linked to the contemporary issues of the religion's violent coercion, jihadism, terrorism, intolerance, misogyny, antisemitism and supremacism. Intended for truth seekers, this book is the ultimate handbook for anyone in pursuit of knowledge and truths. It stands as the first of its kind, providing a nuanced analysis of the unsanitized scriptures of Islam, ultimately revealing that it is far from what it claims to be. By following the evidence of Islam's rise, readers will undoubtedly uncover the thriving Arab pagan foundation upon which the religion was built.

Ibn Al-Jawzee's The Devil's Deception Abū al-Faraj 'Abd al-Raḥmān ibn 'Alī Ibn al-Jawzī, 1996.

A Handbook of Islam Maulana Muhammad Ali, 2015-05-01. A Handbook of Islam is an abridged edition of the work *The Religion of Islam*, a renowned research work first published in 1936 with subsequent editions published till the present time. *The Religion of Islam* is a comprehensive book which divides its extensive treatment of Islam into three parts: 1. the sources of Islam, 2. the principles or doctrines of Islam, and 3. the practices of Islam relating to both the spiritual and the material aspects of human life. In this abridgment, discussions on the more advanced topics in *The Religion of Islam* have been omitted as being of interest only to scholars and researchers, and certain matters of detail have been condensed. The formatting design has been amended using indented quotations and notes at ends of chapters to make the book easier to read for the ordinary reader.

My Father Said... ! Trilogy Doug Lees-Smith, 2019-04-24. *My Father Said* has evolved from an exercise of re-organising my street evangelism notes with discussions and debates with respected

Muslims over the past five years What sparked my interest in this religion Muslims believed in Jesus only refer to Jesus as a Prophet Coming from a Christian background my understanding was there must be a minor misunderstanding that can be corrected with a form of honest evaluation and understanding of Islam The shocking revelation was not so simple But the knockout blow was twofold the total ignorance most Muslims have for their faith and lack of knowledge Christians have about Islam The fort smoke screen I encountered was the five pillars of faith while are a cornerstone to the Islamic faith has absolutely no bearing on the nature of Islam In the pages of My Father Said We uncover the deception of Islam has forced on the Muslim world from the First Revelation of Muhammad through the false belief that Muslims follow the religion of Abraham the deity of Jesus Christ and the celebration of the Holy Trinity that oozes from the pages of the Quran which Muslims ignore If you are seeking a deeper understanding of how Islam works without the Islamic Gymnastics My Father Said is the answer It answers the hard questions your Muslims friends chose to ignore With easy in text quotes from the Quran and Hadith together with the authentic reference tools My Father Said offers a fair well balanced perspective of the accepted Islamic source material In addition reliable reference information is given in the footnotes for your personal review My Father Said is set to challenge the core of the Islamic faith through a simple logical reading of the Islamic source material while posing key questions Muslims are too scared to ask The message is simple Islam seeks world domination through the implementation of Sharia Law My Father Said offers you the opportunity to understand the facts before it is too late to make a difference We need to be educated and evaluate the evidence thus been equipped to make a more informed decision For example in the 18 months of writing this book our local Mosque made up of 99% of Somali immigrants has doubled in size Note at the same time the establishment of a Mosque is considered by Islam the confirmation of conquering and area I trust you enjoy the read as much as I did writing it

THE GUIDE TO ANSWERING ISLAM Daniel Janosik, 2019-01-26 The average Christian knows somewhat how dangerous radical Islam is because of the regular media coverage of beheadings of Christians Jews and even young little children not to mention Muslims with which they disagree However the average Christian does not know their true beliefs just how many there are to the extent they will go to carry out these beliefs Daily we find Islamic commentators on the TV and radio offering up misleading information quoting certain portions of the Quran while leaving other parts out When considering Islamic beliefs other Islamic writings must be considered like the Hadith or Sunnah and the Shariah or canon law While Islam in general does not support radical Islam the vast majority do support radical beliefs For example beheadings stoning for adultery or homosexuality suicide bombings turning the world into an Islamic state and far too many other heinous things THE GUIDE TO ANSWERING ISLAM provides Christians with an overview of Islamic terminology The reader will learn about Muhammad s calling the history of the Quran how Islam expanded the death of Muhammad and the splinter groups that followed In addition the three sources of their teaching six pillars of belief five pillars of Islam the twelfth Imam and much more will be discussed While there are several books on Islam

and radical Islam this will be the first that will prepare its readers to communicate effectively with Muslims in an effort toward sharing biblical truths THE GUIDE TO ISLAM will be an effective evangelism tool In addition each chapter will end with review questions helping the reader recall the main points of the chapter Therefore it can be studied alone or in a church Bible study setting THE GUIDE TO ANSWERING ISLAM has the contents constructed in a way that will greatly serve the Christian Church There are many recent books written by Christians about Islam and there are many books written recently about radical Islam However none of these recent books attempts to do what has been done which is to give an adequate portrayal of Islam critiqued by history and Christian doctrine and then culminating in an extensive evaluation of the rise of Radical Islam from a Christian s perspective Encyclopedia of Deception Timothy R. Levine,2014-02-20 The Encyclopedia of Deception examines lying from multiple perspectives drawn from the disciplines of social psychology sociology history business political science cultural anthropology moral philosophy theology law family studies evolutionary biology philosophy and more From the little white lie to lying on a resume to the grandiose lies of presidents this two volume reference explores the phenomenon of lying in a multidisciplinary context to elucidate this common aspect of our daily lives Not only a cultural phenomenon historically lying is a frequent occurrence in our everyday lives Research shows that we are likely to lie or intentionally deceive others several times a day or in one out of every four conversations that lasts more than 10 minutes Key Features More than 360 authored by key figures in the field are organized A to Z in two volumes which are available in both print and electronic formats Entries are written in a clear and accessible style that invites readers to explore and reflect on the use of lying and self deception Each article concludes with cross references to related entries and further readings This academic multi author reference work will serve as a general non technical resource for students and researchers within social and behavioral science programs who seek to better understand the historical role of lying and how it is employed in modern society Key Themes Advertising Marketing and Public Relations Animals and Nature Communication Deception in Different Cultures Entertainment Media and Sports Ethics Morality Religion Law Business and Academia Military Politics and Government includes espionage Psychology Clinical and Developmental Psychology Social Law Legal Forensic Social History lies in history famous liars hoaxes **My Father Said ... ! Part One** Doug Lees-Smith,2018-10-24 My interest in the Islamic faith was sparked after hearing Muslims believe in Jesus and follow the Abrahamic faith Wow I thought that is profound wondering why Christianity dose does not embrace Islam like with the same passion as Judaism The unacceptable reality is Islam denies the death and resurrection of Jesus claiming the Messiah was nothing more than a human prophet Despite the wealth of evidence atheists like Bart Ethman are clear the Death and Resurrection of Jesus Christ is the most attested fact of Ancient HistoryIn time my research notes became excessive requiring a facelift to efficiently reference the Quran and Hadiths in discussion with Muslims Although I lack a fancy education I have been blessed with the tenacity to explore uncharted waters break the ice and open doors My Father Said is

a natural evolution of this gift looking into the core Islamic objections to Christianity in an understandable in text referenced format that dispels the typical Islamic Gymnastic which is void of reliable answers This is a Polemic confrontation of the Islamic source material which uncovers the deception of Islam forced on the Muslim world You will learn that the First Revelation of Muhammad was inspired by Muhammad s wife cousin Waraqa You will see how Islam manipulates the Abrahamic faith while the deity of Jesus Christ and the celebration of the Holy Trinity that is triumphantly announced in the pages of the Quran Hidden from public view in pursuit of the Islamic god of deception Quran 8 30 Nelson Mandela understood that good trustworthy assessment of the facts results in sound knowledge Sound knowledge is a powerful tool in an effective decision making matrix Your final choice is irrelevant in light of sound knowledge the important point is the understanding of the Islamic ideology behind the Muslim faith which needs to be evaluated understood and used in making a more informed choice Both Muslims and Christian agree that the truth lies in understanding the source material Which in turn opens the door for the perfect will of the True Living God of Creation to be fulfilled This is the blessing I trust My Father Said will impart to you
