Kraft, 1990 **The Importance of Inner Healing and Deliverance for Effective Discipleship** Johnathan Lee Shoo Chiang, 2019-12-18 Personal encounters with God are vital for the current generation of believers the postmodern millennial generation who affirm truth through experience Instead of the traditional view of inner healing and deliverance IHD as a hospital unit of the church this dissertation turned book will explain the biblical theological and current relevance of incorporating IHD into the discipleship structure of the local church With field research based in Singapore and Taiwan a grounded theory based on empirical research attests to a framework that enables

The Art of Healing Prayer Charles R. Ringma, Mary Dickau, 2015-12-10 The Art of Healing Prayer aims to help both clergy and laity to develop a greater understanding of those who come seeking healing and to become skilled in praying for such people biblically imaginatively and sensitively The authors recognize that this is a costly ministry requiring counsellors to find time in their own often busy lives to guide others and necessitating that they continue to be open to the gifts of God's grace However it is a ministry that often results in joy and transformation as those healed from long standing inner woundedness become sources of goodness and healing for others

A Woman at the Well Kate Handeviddt, 2003-07 Giving up is not in Kate's vocabulary quitting is not an option even when the injustices of abusive people appear to have control of her life A Woman at the Well is a story of never quite fitting in and the struggle to get free from the long term effects of child abuse The healing journey is similar to a game of snakes and ladders sometimes we take giant steps up the ladder and sometimes we take massive slides down the snakes belly leaving us feeling like we can never win We search for truth only to find more lies and discover that sometimes the truth is more treacherous than the lies The lies we believe about ourselves continues to keep us locked into the pain we experience now as adults in personal relationships yet it is only the Truth that can set us free This book is where the rubber meets the road for survivors and counselors Warning This book will be offensive to controlling manipulative religious folk
