Death Lore Death Lore:

Death Lore Kenneth L. Untiedt, 2008 Death provides us with some of our very best folklore Some fear it some embrace it and most have pretty firm ideas about what happens when we die Although some people may not want to talk about dying it s the only thing that happens to all of us and there s no way to get around it This publication of the Texas Folklore Society examines the lore of death and whatever happens afterward The first chapter examines places where people are buried either permanently or temporarily Chapter Two features articles about how people die and the rituals associated with funerals and burials The third chapter explores some of the stranger stories about what happens after we re gone and the last chapter offers some philosophical musings about death in general as well as our connection to those who have gone before Dictionary of Angels Gustav Davidson, 1994-10 An investigation of the evidence in Talmudic gnostic apocalyptic partristic and legendary texts concerning immortal winged beings *Death's Disguises* Sir Frank Thomas Marzials, 1889
