Cry Of The Panther Quest Of A Species:

Cry of the Panther James P. McMullen, 1984 Returning from Vietnam carrying lead in his back the jungle in his mind the author disappears into the Florida Everglades the one place in America most like the jungles of Vietnam He begins to track the endangered Florida panther to save it himself JAMES MCMULLEN lives in Naples Florida on the edge of the Everglades A surpassing statement about the great spirit that unites all living things MIAMI HERALD The author's relentless compassionate stalking of the panther is eerily projected against his uncontrollably returning combat experiences so that the Vietnam jungles the Everglades merge into a third realm where everything is nightmarish but also paradisiacal James Dickey NEW YORK TIMES BOOK REVIEW Where the Wild Books Are Jim Dwyer, 2010-04-01 As interest in environmental issues grows many writers of fiction have embraced themes that explore the connections between humans and the natural world Ecologically themed fiction ranges from profound philosophical meditations to action packed entertainments Where the Wild Books Are offers an overview of nearly 2 000 works of nature oriented fiction The author includes a discussion of the precursors and history of the genre and of its expansion since the 1970s He also considers its forms and themes as well as the subgenres into which it has evolved such as speculative fiction ecodefense animal stories mysteries ecofeminist novels cautionary tales and others A brief summary and critical commentary of each title is included Dwyer's scope is broad and covers fiction by Native American writers as well as ecofiction from writers around the world Far more than a mere listing of books Where the Wild Books Are is a lively introduction to a vast universe of engaging provocative writing It can be used to develop book collections or curricula It also serves as an introduction to one of the most fertile areas of contemporary fiction presenting books that will offer enjoyable reading and new insights into the vexing environmental questions of our time

Wretched Refuge Jessica Datema, Diane Krumrey, 2010-02-19 Recent literary expressions of the immigrant experience reveal the postmodern narrative obsession with the immigrant as cultural and political outlier Wretched Refuge Immigrants and Itinerants in the Postmodern asks us to reimagine this preoccupation with what Junot Diaz calls the actual flows of third world bodies as part of a larger more pertinent motif of the postmodern itinerant As a figure of cultural becoming the itinerant stands for displacement and dispersion exceeding the confines of physical location political subjectivity and relation to the natural world Thus Wretched Refuge seeks to map the cosmopolitan positionalities of an immigrant or exilic experience the itinerant the migrant and other foreign bodies The essays in Wretched Refuge consider fiction memoir and pop culture genres that reconceive time space and the shifting situatedness of the subject within nature politics and culture The book weaves together modern and postmodern visions of itinerancy in the writings of Cormac McCarthy Bob Dylan Junot Diaz Edwidge Danticat Jeffrey Eugenides Jhumpa Lahiri Roberto Bolaño Paul Bowles and Bill McKibben among others Throughout these radically different narratives the trace of the itinerant suggests a cosmopolitan response to localized anxieties about global hegemony **The Eastern Panther** Gerry Parker, G.
