Film Studies James Donald, Michael Renov, 2008-04-16 Written by a team of veteran scholars and exciting emerging talents The SAGE Handbook of Film Studies maps the field internationally drawing out regional differences in the way that systematic intellectual reflection on cinema and film has been translated into an academic discipline It examines the conversations between Film Studies and its contributory disciplines that not only defined a new field of discourse but also modified existing scholarly traditions It reflects on the field s dominant paradigms and debates and evaluates their continuing salience Finally it looks forward optimistically to the future of the medium of film the institution of cinema and the discipline of Film Studies at a time when the very existence of film and cinema are being called into question by new technological industrial and aesthetic developments Howard Hawks Ian Brookes, 2016-04-15 Leading international scholars consider the films and legacy of Howard Hawks Diverse contributions consider Hawks work in relation to issues of

gender genre and relationships between the sexes discuss key films including Rio Bravo The Big Sleep and Red River and address Hawks visual style and the importance of musicality in his film making The Cinema of Christopher Nolan

Jacqueline Furby, Stuart Joy, 2015-08-04 Over the past fifteen years writer producer and director Christopher Nolan has emerged from the margins of independent British cinema to become one of the most commercially successful directors in Hollywood From Following 1998 to Interstellar 2014 Christopher Nolan's films explore philosophical concerns by experimenting with nonlinear storytelling while also working within classical Hollywood narrative and genre frameworks Contextualizing and closely reading each of his films this collection examines the director's play with memory time trauma masculinity and identity and considers the function of music and video games and the effect of IMAX on his work **Film**

Criticism in the Digital Age Mattias Frey, Cecilia Sayad, 2015-04-20 Over the past decade as digital media has expanded and print outlets have declined pundits have bemoaned a crisis of criticism and mourned the death of the critic Now that well paying jobs in film criticism have largely evaporated while blogs message boards and social media have given new meaning to the saying that everyone's a critic urgent questions have emerged about the status and purpose of film criticism in the twenty first century In Film Criticism in the Digital Age ten scholars from across the globe come together to consider whether we are witnessing the extinction of serious film criticism or seeing the start of its rebirth in a new form Drawing from a wide variety of case studies and methodological perspectives the book's contributors find many signs of the film critic's declining clout but they also locate surprising examples of how critics whether moonlighting bloggers or salaried writers have been able to intervene in current popular discourse about arts and culture In addition to collecting a plethora of scholarly perspectives Film Criticism in the Digital Age includes statements from key bloggers and print critics like Armond White and Nick James Neither an uncritical celebration of digital culture nor a jeremiad against it this anthology offers a comprehensive look at the challenges and possibilities that the Internet brings to the evaluation promotion and explanation of artistic works **Cinema/Politics/Philosophy**

Nico Baumbach, 2018-10-30 Almost fifty years ago Jean Louis Comolli and Jean Narboni published the manifesto Cinema Ideology Criticism helping to set the agenda for a generation of film theory that used cinema as a means of critiquing capitalist ideology In recent decades film studies has moved away from politicized theory abandoning the productive ways in which theory understands the relationship between cinema politics and art In Cinema Politics Philosophy Nico Baumbach revisits the much maligned tradition of seventies film theory to reconsider What does it mean to call cinema political In this concise and provocative book Baumbach argues that we need a new philosophical approach that sees cinema as both a mode of thought and a form of politics Through close readings of the writings on cinema by the contemporary continental philosophers Jacques Rancière Alain Badiou and Giorgio Agamben he asks us to rethink both the legacy of ideology critique and Deleuzian film philosophy He explores how cinema can condition philosophy through its own means challenging received ideas about what is seeable sayable and doable Cinema Politics Philosophy offers
