Vision of Virtue Brey Willows,2022-09-13 Clio Ardalides loves being in the limelight As the Muse of History and Virtue it s her job to share all the laudable traits and accomplishments of the gods and she s turned her work into a national television show For Clio the perception of events and highlighting the positive is sometimes a little more important than authenticity Who wants reality when there s glamour and beauty in the world Kit Kalloway wants the truth And not the shiny polished version people are getting from the news or shows like Clio s As the headline reporter for Truth Spotter she uncovers the things not getting done and the people being left behind To Kit Clio has sold out No matter how sexy and vivacious she is she s just another self obsessed influencer only interested in being admired When disaster strikes and they must depend on one another desire and passion are ready and waiting But will it be enough for them to find a shared vision
