ManagingNonprofits.org Ben Hecht, Rey Ramsey, 2002-02-26 Nonprofit managers have been slow to embrace the digital age Although technology has transformed the face of the for profit sector and how it operates nonprofit use of technology to improve internal functioning and to change the way services are delivered is almost nonexistent These limitations actually have opened the door for for profits to compete successfully for traditional nonprofit business such as moving people from welfare to work *ManagingNonprofits.org* is both a call to action and a roadmap for change Each chapter defines an element of Dynamic Management and identifies digital hotspots or places within that element and the nonprofit's implementation of that element where digital issues will most likely arise and need to be addressed In addition at the end of each chapter Maxims of Dynamic Management or core truths that the authors have found helpful to follow in their day to day experience as nonprofit leaders in bringing Dynamic Management to their organization are provided Finally the authors highlight the experience of various nonprofit and for profit organizations that have successfully made elements of Dynamic Management a reality in their organizations Nonprofit Boards That Work Maureen K. Robinson, 2001-06-01 Praise for Nonprofit Boards That Work This book offers a refreshing and candid look at the challenges of nonprofit boards It moves away from theoretical frameworks to take you inside the real world of nonprofit organizations A must for any executive director who needs reassurance that building effective boards is tough work but well worth the effort Sherry Rockey Executive Director International Women's Media Foundation Maureen Robinson is uniquely qualified to help us understand the issues related to boards that are effective those that are not and why It is certain that board members potential board members and executive directors who read this book will better understand their roles and responsibilities and will be better able to avoid common pitfalls As a result the impact of their efforts on those whom their organizations exist to serve will be enhanced Ron Burkard Executive Director World Neighbors As more than 10 million people in the United States alone say yes to board service they also expect to see their time and talents used effectively This invaluable book presents a straightforward approach to understanding the role of the board tailoring its work to meet the needs of specific organizations and creating a culture of board productivity that makes participation rewarding for board members as well as the organizations they serve *Nonprofit Boards That Work* Distinguishes

between theory and practice and encourages boards to explore how they genuinely add value to the work of the organization. Goes beyond the hows and whys of nonprofit governance to provide frank advice and real world examples of what works what doesn't what requires a miracle and what can be achieved through diligent and deliberate effort. Offers practical yet flexible strategies that can be tried by any nonprofit board whatever its current effectiveness and much more to guide nonprofit organizations and their boards toward accomplishing the goals they seek.
