Confirmation Presbyterian Practices In Ecumenical Perspective:

Confirmation Richard Robert Osmer, 1996-01-01 Confirmation is one of the most widespread practices in the contemporary church although much confusion exists about its relationship to faith Is confirmation a rite of passage Is it just one step on an unfolding journey of faith Are new privileges granted and additional responsibilities required of confirmands Christian educator Richard Robert Osmer addresses these questions as he examines the theological significance of confirmation Osmer surveys early church practices of confirmation and offers a comprehensive discussion of the particularities of the Protestant experience of confirmation including Presbyterian Episcopal Lutheran and Methodist practices He discovers a need for a renewed understanding of confirmation in today's church He proposes a two step process of confirmation that would address the unique concerns and understandings of those involved at two distinct and significant developmental transitions from youth to adolescence and from adolescence to adulthood *Shepherding Souls* Shawn O. Strout, 2024-07-16 A complete resource for the theology liturgy and practice of the pastoral offices This easy to use resource for clergy and lay liturgical leaders examines baptism confirmation marriage reconciliation of the penitent ministration to the sick and burial offering background and guidance for each liturgy Each chapter begins with brief historical and theological contexts followed by a discussion of pastoral and liturgical issues relevant to each rite Because cultural considerations are often central to the pastoral offices each chapter includes an overview of cultural practices surrounding each liturgy that may be unfamiliar to clergy Taking into account theological and liturgical perspectives from a variety of denominations *Shepherding Souls* is designed to be useful in any church This trusted resource provides the busy church leader with everything needed to prepare for and administer pastoral offices **Cultivating Teen Faith** Richard R. Osmer, Katherine M. Douglass, 2018-10-25 What are churches doing to form the faith of their young people Many church denominations that practice infant baptism offer confirmation or an equivalent ministry when children reach adolescence and enter a new phase of spiritual growth but all churches regardless of tradition wrestle with how to get young adults to actively join the church What really works In this book twelve authors draw on a three year study of more than three thousand US congregations across five denominations United Methodist Church African Methodist Episcopal Church Episcopal Church Evangelical Lutheran Church in America and Presbyterian Church USA to answer this pressing question They tell stories of excellent and innovative confirmation programs that work and that show above all what good discipleship with young people looks like Youth pastors church leaders and parents alike will benefit from the practices and new ways of teaching presented here that have proven helpful in forming and enhancing the faith of youth Contributors Joy L Arroyo Reginald Blount Kenda Creasy Dean Katherine M Douglass Terri Martinson Elton Lisa Kimball Gordon S Mikoski Kermit Moss Richard R Osmer Kate Harmon Siberine Jacob Sorenson Kate O Unruh **International Handbook of Practical Theology** Birgit Weyel, Wilhelm Gräb, Emmanuel Lartey, Cas Wepener, 2022-09-06 Practical theology has outgrown its traditional pastoral paradigm The

articles in this handbook recognize that faith spirituality and lived religion within and beyond institutional communities refer to realms of cultures ritual practices and symbolic orders whose boundaries are not clearly defined and whose contents are shifting The International Handbook of Practical Theology offers insightful transcultural conceptions of religion and religious matters gathered from various cultures and traditions of faith The first section presents concepts of religion Chapters have to do with considerations of the conceptualizing of religion in the fields of anthropology community family institution law media and politics among others The second section is dedicated to case studies of religious practices from the perspective of their actors The third section presents major theoretical discourses that explore the globally significant diversity and multiplicity of religion Altogether sixty one authors from different parts of the world encourage a rethinking of religious practice in an expanded transcultural globalized and postcolonial world

Consensus and Conflict Kenda Creasy Dean, Blair D.

Bertrand, Amanda Hontz Drury, Andrew Root, 2019-05-15 Most students of practical theology recognize Richard R Osmer as the originator of the consensus model of practical theology one of the most accessible and widely used models of practical theological model in the world Yet Osmer's influence extends beyond practical theological method Over his long career his writing and teaching spanned Christian education youth ministry spirituality and evangelism as well giving each of these congregational practices new theological substance A pastor as well as a scholar at heart Osmer writes with the American congregation in mind insisting on making theology central to every Christian practice Consensus and Conflict traces Osmer's multi faceted intellectual career from his days as seminarian through his professoriate at Princeton Theological Seminary and his role in the founding of the International Academy of Practical Theology These themes unfold against the backdrop of ecclesial change that Osmer barely anticipated as a young pastor in New England and western North Carolina The contributors to this volume bear witness to Osmer's indebtedness to social sciences theologians like Moltmann and Barth his wide range of interests ranging from confirmation to redemptive agriculture to church planting and his deep hope that the theological disciplines will play a more vital role in practical theology's future

Liturgical-Missional Neal D.

Presa, 2016-02-10 What is the nature and purpose of the church for a twenty first century world What is the church's calling in an age of globalization Twenty one pastors and theologians in the Reformed tradition offer insightful perspectives by bringing into conversation the treasures of liturgical and missional theology These authors see the church's essential character to be as worshipping witnessing communities gathered and sent by the triune God Topics that are explored include the relationship between worship and mission baptism and the Eucharist the formative role of community the catholicity and ecumenicity of the church multiculturalism and hymnody

Australian Evangelical Perspectives on Youth Ministry

Ruth Lukabyo, 2023-12-06 This book is a unique contribution to the study of children's and youth ministry displaying the rich theological thinking that is developing amongst Australian evangelical scholars Many of the writers have previously presented at the Youthworks House conference which promotes theological reflection for best practice in youth and children

s ministry in a community of youth and children s ministers The themes explored in this book are vitally important to pastors seeking to nurture young people as disciples of Jesus Thirteen evangelical scholars answer questions such as How can biblical theology shape a young person s view of themselves What is the biblical definition of church and how does this shape our understanding of intergenerational gatherings family and community How should young Christians interact with the culture around them And how do biblical teachings on sin grace and wisdom provide young people with the resources to live in today s world You will be challenged to reconsider how theology and exegetical study of the Bible can mold your priorities principles and presumptions as you exercise ministry to and with young people Teaching the Faith, Forming the Faithful

Gary A. Parrett, S. Steve Kang, 2013-03-05 With the decline of traditional Sunday school and education programs in recent years many Christians have not learned the fundamental doctrinal content of the faith In this text Gary Parrett and Steve Kang set forth a thoroughly biblical vision for intentional teaching of the Christian faith that attends to both the content and process of educational and formational ministries **The Promise of Baptism** James V. Brownson, 2007 Christians who otherwise love each other and work together on shared projects and causes nonetheless often disagree on the subject of baptism Should infants be baptized or is baptism for believers only What exactly does baptism mean What happens if anything when someone is baptized Which is better sprinkling or immersion These disagreements are disheartening to some and confusing to many The sacrament of baptism from a Reformed perspective is clearly and thoughtfully outlined in this useful book James Brownson explains the scriptural basis the theological underpinnings and the practical implications of this particular element of the faith Organized into thirty brief tightly focused chapters each of which centers on a key question and enhanced by thoughtful discussion questions The Promise of Baptism will be an important resource for pastors students and laypersons seeking to better understand this sacrament that lies at the heart of the church s life A sampling of key questions addressed What is a sacrament and how does it differ from an ordinance What s the relationship between baptism and being born again How do the sacraments bring God s grace to us Can someone be saved without being baptized Can someone be baptized without being saved Does baptism take the place of circumcision as the mark of the new covenant What is confirmation or profession of faith and what is its relationship to baptism What happens after baptism **Confirm**
