Crumbs Of Me A Haiku Collection:

Crumbs of Me Chandrakant Mhatre, 2015-08-12 Re inventing the haiku and the Self Chandrakant Kaluram Mhatre the author of amazon bestsellers *One Hundred Poems of Tukaram* *One Hundred Poems of Chokha Mela* explores in this haiku collection the possibilities of the world's most popular poetry form Transcending the traditional subject matter of the haikus nature but not excluding it he delves deep into questions that arise in our lives Questions that vary from the most mundane to the most perplexing And in these explorations he comes up with a new form of haiku that is equally intricate yet easily accessible to readers of all denotations A treat indeed for all haiku lovers these CRUMBS OF ME From the author's DEFENSE OF THE TROIKU Not that i am not in the know of the traditional form of haiku But can i do any better than the Masters who practiced and perfected it centuries ago Nor that i am not aware of haiku's modern avatars But can a haiku be a haiku if it does not have its own distinct form Thus i stumbled upon what i humbly call TROIKU a haiku in the form of 3 6 9 And this tiny collection of haikus charts my journey so far in the search of a perfect troiku My patient reader it is entirely yours to decide the merit of this journey

Crumbs of a Bum's Cake Kenny Attaway, 2015-11-19 Is it beautiful like the residue of a bird's hum The last pound of the blind man drum The rum of the scum Is it the scent of a baker's thumb The beautiful of the slum The gift of the innocence confusion in the solution A something of nothing or the nothing of something The surrendered of superficial is the hug from a poem The kisses of an I miss you The leftover dew from a long exotic night The last twisting on an erotic knot Is it the cream that rose to the top or the sugar rush from the last drop The simmering of a rainbow's nose snowflakes unfroze Is it birds freed or insanity caged The teaspoon of humanity's first and last flavor Drowning of a thought or the life saver Now ask yourself this Crumbs of a bum's cake Washing your face in midnight's rage waking up with the good in morning caged Laying down and sharing your heart with if possible and maybe Erecting to the world aggression Is crumbs from wanting the love but Accepting the Mmmms on the Fs between the liberations of breaths Crumbs of a bum cake where desires are lit or destiny blown out Where the softest flowers grew into hard like rocks To taste the crumb of a bum's cake where all senses radiate Sparked by a revolution and the most angelic earthquake partake Accepting the lost in winning winning to not lose still confused by when you win you still lose In short Crumbs of a Bum's cake addresses the hardcore battle of drug addictions through six generations

In this intriguing literary experiment Ian Marshall presents a collection of nearly three hundred haiku that he extracted from Henry David Thoreau's *Walden* and documents the underlying similarities between Thoreau's prose and the art of haiku. Although Thoreau would never have encountered the Japanese haiku tradition the way in which the most important ideas in *Walden* find expression in the most haikulike language suggests that Thoreau at Walden Pond and the haiku master Basho at his old pond might have drunk at the same well. *Walden* and the tradition of haiku share an aesthetic that embodies ideas in natural images dissolves boundaries between self and world emphasizes simplicity and honors both solitude and humble familiar objects. Marshall examines each of these aesthetic principles and offers a relevant collection of found haiku. In the second part of the book he explains his process of finding the haiku in the text breaking down each chapter of *Walden* to highlight the imagery and poetic language embedded in the most powerful passages. Marshall's exploration not only provides a fresh perspective on haiku but also sheds new light on Thoreau's much studied text and lays the foundation for a clearer understanding of the aesthetics of American nature writing. *Children's Literature in the Elementary School* Charlotte S. Huck,1979

In *Children's Literature in the Elementary School* Charlotte S. Huck advances the view that exposing children to good quality children's literature is a vital element of successful school reading programs. Books for children should be 1 works of high literary quality 2 useful in the curriculum and 3 appeal to the young reader. Volumes that address this subject have traditionally been tasked with meeting a wide variety of objectives in higher education if adopted by education departments. methodological matters are stressed under the school of library science. bibliography is the object and under the English department textual analysis is emphasized. This text is sufficiently broad as to adapt itself to any one of these approaches and should serve as a valuable guide for teachers librarians and elementary educators in any capacity.
