## **Centurion Principle The Protocol Of Authority:**

*Centurion Principle* Neil Kennedy, 2011-09-12 In *Centurion Principle* Neil Kennedy digs deep into the protocol of authority teaching first hand how to apply these simple yet practical principles to our lives. This book will equip you with the understanding that authority exists in your life to empower, protect, promote, and prosper those who are a part of your world.

**Centurion Principle: the Protocol of Authority** Mark Elliott, 2011-08-01 It's a proven fact that your retention rate increases whenever you engage more of your five senses in wrestling with a thought, teaching, or book. This Huddle Playbook Workbook allows you to use your untapped senses for greater learning while answering workbook questions and also in stimulating conversations with other personal growth oriented men in a men's huddle small group. What did YOU say? What did that book page say? My point exactly. We need all the retention help, accountability, and personal application help we can get. Men's huddle small groups meeting in homes, health clubs, businesses, coffee shops, bookstores, or churches are the rage. Why? Because men's huddle groups are effective, effervescent, and efficient. Huddle groups are fun, challenging, life giving, and encouraging. We call our men's small group meetings huddles because we men are on the same team competing against our common enemy Satan who is out to destroy our souls and our families. Men's huddles are all about men committing to gather to sharpen one another for the battle that rages. Huddle group discussion points and workbook questions are included in this Huddle Playbook Workbook. They correspond with each chapter of Neil Kennedy's book entitled *Centurion Principle The Protocol of Authority*. Each chapter will have more than enough discussion points and questions. These discussion points are meant to create life giving thoughts and open dialogue among men. Don't settle for simple yes or no answers. Very likely you will have to pick and choose which discussion questions to use or perhaps you may want to have two discussion huddles for each chapter. The choice is yours. Customize and adapt this Huddle Playbook Workbook for the uniqueness of your specific men's huddle group. Neil Kennedy's book found at [www.fivestarmen.com](http://www.fivestarmen.com) and this Huddle Playbook Workbook are all about YOU. God wants you to grow as a man, father, worker, and husband through timely discussions with other guys. Your decision to become a CENTURION man under God's authority will bring protection, power, prosperity, and promotion to you and your family. Friend, God has placed a lot of responsibility on men to be the spiritual leaders of their families. It's time we got this man thing right. This study will help you redefine what it means to be a REAL man. Get ready, friend. Neil's *Centurion Principle* book and this Huddle Playbook Workbook will stir up within you Godly character, courage, and conviction. God has ordained YOU and this generation to reestablish the proper protocol of a man's authority at home, church, and in the marketplace. Are YOU ready to be a world changer? Today begins a new chapter of manhood as it was intended to be from the very beginning of creation. Saddle up, cowboy. We have a mission from God to change this world, one man at a time, one family at a time, one church at a time, one community at a time, and one country at a time. As in the *Ana Maniac* cartoon, main character Pinky would say to his friend Gee Brain, "What are we going to do tonight?" Brain responds, "The same thing we do every night." Pinky tries

Jackson,2011-06-07 This book is designed to challenge your mind set and kick down some of the sacred cows that hinder you from becoming all that God has created you to be In the Gospel of John Jesus made a profound statement Jesus stated all the works he has done his disciplines could do and even greater works because he was returning to His heavenly father John 14 12 14 Was Jesus serious when he said that or was he trying to appease his followers Some may say that he was speaking figuratively but I am of the opinion that this statement was a literal one There are numerous scriptures to back up my contention If Jesus statement is true are you experiencing the power and authority that Jesus said was available to all those who call on his name If the answer is no then why arent you It is my contention in order for us to be trusted with that kind of power and authority we must develop the same mind set that Jesus had In the book of Romans the apostle Paul under the inspiration of the Holy Spirit encouraged the believers to renew their minds Romans 12 1 3 Paul realized that in order to experience the power and authority that God has for us we need to learn to think a different way We need to learn a new paradigm Many believers are living life far below what God has intended for them Some have rationalized that this is their plight and they endure the hardships with the hope that someday they will get their reward in the sweet by and by This sounds real religious and many would applaud this mind set But is it truly scriptural If you are not experiencing the aforementioned dont you think its time to ask why If you are satisfied with your life this book is not for you In fact I admire you I wish I could be that content but I am not I want to experience all that God has for me I want to be blessed so I can be a blessing according to the promise God gave Abraham You know that all those who are of the faith of Abraham are entitled to the same blessings of Abraham Maybe that is the problem you didnt know In this book I will discuss ways you can renew our mind and challenge your current cognitive processes The subjects that I will cover are the following What does it mean to be responsible What is the difference between responsibility and accountability How responsible are you What is your purpose in life What is Gods purpose for you Are you a prisoner of your past or a pioneer of your future What kind of fence do you have around your yard boundaries What keeps dysfunction alive and well Living life from an internal locus of control Thinking outside of the box Using your hardships to your advantage Turning your dreams into reality the process for change Strategies for success **School of the Prophets- a Training Manual for Activating the Prophetic Spirit Within**

Inerrancy and the Gospels Vern S. Poythress, 2012-10-31 Serious Bible readers all recognize that there are differences between accounts of the same events in Matthew Mark Luke and John and no responsible reader can simply sweep these differences under the rug But can all of the accounts still be reconciled with a belief in biblical inerrancy Responding to the questions surrounding the gospel narratives New Testament scholar Vern Poythress contributes a worthy case for inerrancy in the gospels and helps readers understand basic principles for harmonization He also tackles some of the most complicated exegetical problems showing the way forward on passages that have perplexed many such as the centurion's servant the cursing of the fig tree and more All those interested in the authority of Scripture will find in this volume great encouragement and insight as Poythress has provided an arresting case to stem the tide of skepticism *The Voice of God* Cindy Jacobs, 2004-10-15 Many Christians question whether prophecy is still a valid gift in today's world In this practical biblical examination of the gift of prophecy you'll get a clear picture of what prophecy is and how it works in the lives of individuals through personal prophecy and in entire churches and groups through corporate prophecy Congressional Record, 1894
