Demon Lovers Demon Lovers:

Demon Lovers Walter Stephens, 2002 *Demon-Lovers and Their Victims in British Fiction* Toni Reed, 2014-07-11 The hero of the story is a demonic lover dark handsome mysterious and dangerously seductive The heroine beautiful and innocent willingly becomes his victim and is destroyed by him This story of demon lover and victim always charged with passion has been told over and over from Greek mythology through contemporary fiction and films *Demon Lovers and Their Victims in British Fiction* is the first historical and structural exploration of the demon lover motif with emphasis on major works of British fiction from the eighteenth nineteenth and twentieth centuries it will interest those concerned with gender role conflicts in literature and with the mutual influence of oral and written texts of folklore and formal literature **DEMON LOVER.** DION. FORTUNE, 2023 *The Demon Lover* Juliet Dark, 2011-12-27 I gasped or tried to My mouth opened but I couldn't draw breath His lips pearly wet parted and he blew into my mouth My lungs expanded beneath his weight When I exhaled he sucked my breath in and his weight turned from cold marble into warm living flesh Since accepting a teaching position at remote Fairwick College in upstate New York Callie McFay has experienced the same disturbingly sensual dream every night A mist enters her bedroom then takes the shape of a virile seductive stranger who proceeds to ravish her in the most toe curling wholly satisfying ways possible Perhaps these dreams are the result of her having written the bestselling book *The Sex Lives of Demon Lovers* Callie's lifelong passion is the intersection of lurid fairy tales and Gothic literature which is why she's found herself at Fairwick's renowned folklore department living in a once stately Victorian house that at first sight seemed to call her name But Callie soon realizes that her dreams are alarmingly real She has a demon lover an incubus and he will seduce her pleasure her and eventually suck the very life from her Then Callie makes another startling discovery Her incubus is not the only mythical creature in Fairwick As the tenured witches of the college and the resident fairies in the surrounding woods prepare to cast out the demon Callie must accomplish something infinitely more difficult banishing this supernatural lover from her heart Vivid and enchanting Dark's letter perfect gothic style is a satisfying tribute to previous gothic novels and the paranormal elements including incubi fae vampires and witches make this a stellar romance Booklist Top 10 SF Fantasy Juliet Dark develops a complex detailed world where magic reason and gothic literature enjoyably intersect Publishers Weekly **Demon Lovers** Walter Stephens, 2003-08-15 On September 20 1587 Walpurga Hausmannin of Dillingen in southern Germany was burned at the stake as a witch Although she had confessed to committing a long list of malefic deeds of harmful magic including killing forty one infants and two mothers in labor her evil career allegedly began with just one heinous act sex with a demon Fornication with demons was a major theme of her trial record which detailed an almost continuous orgy of sexual excess with her diabolical paramour Federlin in many diverse places even in the street by night As Walter Stephens demonstrates in *Demon Lovers* it was not Hausmannin or other so called witches who were obsessive about sex with demons instead a number of devout Christians including trained theologians displayed an

uncanny preoccupation with the topic during the centuries of the witch craze Why To find out Stephens conducts a detailed investigation of the first and most influential treatises on witchcraft written between 1430 and 1530 including the infamous Malleus Maleficarum Hammer of Witches Far from being credulous fools or mindless misogynists early writers on witchcraft emerge in Stephens s account as rational but reluctant skeptics trying desperately to resolve contradictions in Christian thought on God spirits and sacraments that had bedeviled theologians for centuries Proof of the physical existence of demons for instance through evidence of their intercourse with mortal witches would provide strong evidence for the reality of the supernatural the truth of the Bible and the existence of God Early modern witchcraft theory reflected a crisis of belief a crisis that continues to be expressed today in popular debates over angels Satanic ritual child abuse and alien abduction
