Kanyinga, Gabrielle Lynch**

Democratic Dynasties Family Contemporary Politics:

Democratic Dynasties Kanchan Chandra, 2016-04-28 A comprehensive study of dynasticism in modern democracies providing a new perspective on where dynasties come from and why they matter

Dynasties and Democracy Daniel M. Smith, 2018-07-03 Although democracy is in principle the antithesis of dynastic rule families with multiple members in elective office continue to be common around the world In most democracies the proportion of such democratic dynasties declines over time and rarely exceeds ten percent of all legislators Japan is a startling exception with over a quarter of all legislators in recent years being dynastic In *Dynasties and Democracy* Daniel M Smith sets out to explain when and why dynasties persist in democracies and why their numbers are only now beginning to wane in Japan questions that have long perplexed regional experts Smith introduces a compelling comparative theory to explain variation in the presence of dynasties across democracies and political parties Drawing on extensive legislator level data from twelve democracies and detailed candidate level data from Japan he examines the inherited advantage that members of dynasties reap throughout their political careers from candidate selection to election to promotion into cabinet Smith shows how the nature and extent of this advantage as well as its consequences for representation vary significantly with the institutional context of electoral rules and features of party organization His findings extend far beyond Japan shedding light on the causes and consequences of dynastic politics for democracies around the world

The Pro-Incumbency Century: How Leaders Are Fashioning Repeat Mandates In India Yashwant Deshmukh, Sutanu Guru, 2023-04-27 The Pro Incumbency Century How Leaders Are Fashioning Repeat Mandates in India by Yashwant Deshmukh Explore the dynamics of political leadership and governance in India with *The Pro Incumbency Century* by Yashwant Deshmukh In this insightful book Deshmukh delves into the phenomenon of repeat mandates where leaders secure consecutive electoral victories Drawing on extensive research and case studies he examines the factors strategies and public sentiments that contribute to political longevity offering a compelling analysis of the changing landscape of Indian politics

Key Aspects of the Book *The Pro Incumbency Century* Political Leadership and Governance The book provides a comprehensive analysis of political leadership and governance in India Deshmukh explores the strategies employed by incumbent leaders to secure repeat mandates and examines their impact on policy implementation public sentiment and political stability

Factors Influencing Repeat Mandates The author delves into the factors that contribute to pro incumbency such as economic performance welfare programs charismatic leadership and effective communication By examining these factors Deshmukh offers insights into the changing preferences of Indian voters and the evolving dynamics of electoral politics

Case Studies and Research Analysis *The Pro Incumbency Century* presents case studies and research analysis of notable political leaders who have secured repeat mandates Through a combination of data driven insights and anecdotal evidence Deshmukh provides readers with a nuanced understanding of the strategies and challenges faced by leaders aiming for long term political success Yashwant Deshmukh is a renowned

political analyst psephologist and founder of a leading research organization in India With his expertise in data driven analysis and public opinion research Deshmukh offers valuable insights into the complexities of Indian politics The Pro Incumbency Century reflects his deep understanding of political dynamics providing readers with a comprehensive exploration of the factors that shape the success and longevity of leaders in contemporary Indian democracy The Oxford Handbook of Historical Political Economy Jeffery A. Jenkins, Jared Rubin, 2024 This handbook is currently in development with individual articles publishing online in advance of print publication At this time we cannot add information about unpublished articles in this handbook however the table of contents will continue to grow as additional articles pass through the review process and are added to the site Please note that the online publication date for this handbook is the date that the first article in the title was published online **The Global Historical and Contemporary Impacts of Voluntary**

Membership Associations on Human Societies David Horton Smith, 2018-07-17 Reviewed here is global research on how 13 types of Voluntary Membership Associations MAs have significantly or substantially had global impacts on human history societies and life Such outcomes have occurred especially in the past 200 years since the Industrial Revolution circa 1800 CE and its accompanying Organizational Revolution Emphasized are longer term historical and societal or multinational impacts of MAs rather than more micro level individual or meso level organizational outcomes MAs are distinctively structured with power coming from the membership not top down The author has characterized MAs as the dark matter of the nonprofit third sector using an astrophysical metaphor Astrophysicists have shown that most physical matter in the universe is dark in the sense of being unseen not stars or planets **The Oxford Handbook of Kenyan Politics** Nic Cheeseman, Karuti Kanyinga, Gabrielle Lynch, 2020 The Oxford Handbook of Kenyan Politics provides a comprehensive and comparative overview of the Kenyan political system as well as an insightful account of Kenyan history from 1930 to the present day

Encyclopedia of Asian Politics Alexander C. Tan, Dennis Quilala, 2023-12-11 This state of the art Encyclopedia provides a detailed snapshot study of politics in Asia Curated by two internationally recognized scholars entries offer key insights and critical reference points in order to navigate the vastness diversity and dynamism of Asian politics **Social Justice through Inclusion** Francesca R. Jensenius, 2017-06-30 What are long term effects of India s extensive electoral quota systems This book s insightful discussions backed by rich empirical data show how the quotas have shaped incentives for politicians parties and voters and indicate the trade offs inherent in how such policies of group inclusion are designed

The Jokowi Presidency: Indonesia's Decade of Authoritarian Revival Sana Jaffrey, Eve Warburton, 2025-07-18 The rise of Joko Widodo Jokowi to the presidency in 2014 marked an optimistic turn in Indonesia At a time when politics were dominated by oligarchs New Order era holdovers and corrupt politicians Jokowi s populist style and humble origins embodied the change that many Indonesians desired He promised the public a cleaner style of government and fast paced development and his progressive allies believed he would protect Indonesia s young democratic institutions Yet when Jokowi stepped down

from office a decade later he left behind a fragile economy and a hollow democracy This volume examines Jokowi s political evolution and the mark he left on Indonesia It casts Jokowi s decade in office as one of authoritarian revival that saw the return of statist developmentalism in the economic sphere and the resurrection of New Order era tactics of co optation and repression in the political sphere The volume brings together experts from a wide range of fields including foreign policy security economics politics law and human rights In different ways all contributors view Jokowi as a disruptive president whose ambitious developmental agenda came at a high cost for Indonesia s democracy When Ideas Matter Bilal A. Baloch, 2021-10-07 Comparativist scholarship conventionally gives unbridled primacy to external material interests chiefly votes and rents as proximately shaping political behaviour These logics tend to explicate elite decision making around elections and pork barrel politics but fall short in explaining political conduct during credibility crises such as democratic governments facing anti corruption movements In these instances Baloch shows elite ideas for example concepts of the nation or technical diagnoses of socioeconomic development dominate policymaking Scholars leverage these arguments in the fields of international relations American politics and the political economy of development But an account of ideas activating or constraining executive action in developing democracies where material pressures are high is found wanting Resting on fresh archival research and over 120 original elite interviews When Ideas Matter traces where ideas come from how they are chosen and when they are most salient for explaining political behaviour in India and similar contexts

Recognizing the pretension ways to get this books **Democratic Dynasties Family Contemporary Politics** is additionally useful.
