The Keys to Life's Success Tony Curtis Franklin Jr.,2022-11-07 Have you ever thought about becoming successful in life Successful as far as becoming a business owner one day Imagine starting off working two jobs and saving one paycheck and paying your bills with the other while at the same time building your credit for a few years to boost your credit score to about 700 Now picture yourself getting a loan from some type of lender or bank with the credit you have established over those couple of years with collateral put up in a business bank account before you finally open up a legitimate business of your own All the odds you've overcome were worth all the hard work you've put in over the years weren't they Well that's what you will enjoy about this book *The Keys to Life's Success Overcoming All Odds* This first time author pieced together his own plan for becoming successful in life I hope you enjoy reading it and please utilize this valuable book to help you become successful as well I wish you well on your journey to prosperity

Future-proofing Travel Caroline Bremner,2025-03-03 Evolving traveller expectations pressures to reduce emissions and a need to preserve popular destinations from over tourism and climate change are creating untold disruption in the travel industry The industry cannot continue to grow unchecked and wholesale transformation is required *Future proofing Travel* considers current travel trends in consumer expectations for greener and more experiential travel alongside the demands from local communities and industry led initiatives to meet government pledges of lower emissions It explores how business leaders in tourism and hospitality services must adapt their offerings to remain relevant in a competitive environment where sustainability and technology are no longer nice to have Explore data driven and holistic solutions for travel industry professionals to transform their businesses to be more purposeful and sustainable with this book While there is no one pathway to success *Future proofing Travel* shows how travel companies and destinations are currently adapting their practices to be more impact conscious while also elevating the traveller experience Using real world examples from leading brands such as Airbnb Marriott TUI and Intrepid Travel this book maps out how travel brands and destinations can accelerate their positive actions through digitalization and green innovation to regenerate local communities retain consumer loyalty and increase long term profits sustainably into the future

Capital's Grave Jodi Dean,2025-03-18 Bringing together analyses from different fields law technology Marxism and psychoanalysis Jodi Dean shows the direction the contemporary world is heading neofeudalism Feudalism isn't just a metaphor It's the operating system for the present Politics and plunder thrive in the capitalist pursuit of profit and the many are bound to serve the few coerced into a system of rents destruction and hoarding driven by privilege and dependence The question is In a society of serfs and servants how do we get free With the rise of neofeudalism and as more and more workers are drawn into the service sector from nurses to Uber and delivery drivers Dean argues that we can see the emergence of a new vanguard the class that can lead the struggle for liberation from oppression and exploitation what she calls the servant vanguard

The Kitty Hawk Venture Jeffrey Scheaffer,Aruna Ravichandran,Alex Martins,2018-07-19 An airline is supposed

to make the experience of booking a flight easy trouble free and reliable But when scheduling software breaks down and flights get canceled customers will walk and heads will roll That s what Leigh Freemark faces the day she and her team launch a software upgrade that fails spectacularly and hits the media immediately As Senior Director of Quality Assurance her job is to make sure that code is market ready And she s the one who must face the music when it doesn t Tasked by senior management to find and fix the source of the failure Leigh discovers just how essential it has become to radically improve the process of software development by introducing a concept called continuous testing She must quickly learn what it means how it works and how to build it into her company s legacy system But she soon discovers that managing change is much more difficult than it first appears The airline business is changing fast yet old traditions and loyalties still dominate As she fights to convince her team to change or perish she discovers that obstructions and opportunities come in surprising forms In *The Kitty Hawk Venture* the authors deliver a sound lesson in the importance of continuous testing while taking the reader inside the world of commercial aviation Each chapter delivers distinct and vital learning opportunities wrapped inside a fast moving narrative complete with interesting characters intriguing situations and even some humor The book concludes with a Flight Plan for Continuous Testing that stands on its own as a valuable resource guide for digital leaders in their continuous testing journey The story is immediately relatable to anyone who has worked in software development or for the companies that rely on it Who This Book Is For C level executives VPs of apps and quality VPs of DevOps architecture and strategy managers and SMB and enterprise professionals
