Cruising Through Life As Bartender:

Cruising Through Life As a Bartender Teoman Toydemir,2015-12-19 A bartender from a cruise ship shares with you how he began his cruising adventure and his extraordinary experiences on this road Concealed crew and passenger stories that he saw from behind the bar that could perhaps make you consider to get a job on a cruise ship or possibly book a cruise right away The Jesus Tree Ornaments Garry R. Kennedy,2008-11 In the never ending battle between good and evil who will triumph The Jesus Tree Ornaments is a spiritual action adventure that may make you question what you really believe about Christmas Unraveled: Books 1-3 Marie Johnston,2021-07-07 What do three millionaires have to do with a comic book shop The first millionaire wants to shut it down The second millionaire gets bought during a fundraising bachelor auction And the third millionaire falls for one of the owners who happens to be the father of one of her students Three standalone stories in one box set Unraveled was previously published as the Fanboys box set with the titles Unmistaken Identity Highest Bidder and Based on Principal First to Lie I m living the dream My comic book shop supports me and my ailing mother and I have a chance to buy the strip mall it s in For only a dollar That is until my dear friend and landlord dies before the sale leaving the place to his estranged son who plans to shut my store down and sell the building If only I can confront my new landlord and convince him how much the place means to me and how much it meant to his father But he s ignoring my calls and my emails so I take it one step farther and track him down in his nightclub I should ve done my research first First to Bid In high school my crush on Flynn wasn t so secret but he was so far out of my league that I didn t care I had more important things to survive Ten years have passed I ve built a new life and it s my lucky day He s one of the eligible bachelors in the fundraising auction I m helping organize I saved money to donate to an organization that helped me escape a bad situation but if I can give it to the same cause and buy a week away with Flynn why not First to Fail By day I m a strict principal of a private school filled with wealthy families like the one I grew up in By night I m a lithe assassin with a penchant for latex and roller derby At least my cosplay character is and I never let my personal life bleed into my professional one Until the handsome comic book shop owner I had a steamy session with at the local comic con walks into my office Chris is the father of one of my students and completely off limits I wouldn t be a good role model for all my young students if I trashed my career over a guy not even one I can t quit thinking about **How I Took a Bartending Course and Traveled for Seventeen Years** Steven Nicolle,2014-06-16 IT IS 1979 the dawning of a new exciting decade On the cusp of the eighties the path of unlimited possibilities is laid at the feet of a young man by the name of Steven Fresh into adulthood and poised to embark on a wild new direction he takes a bartending course in the throbbing metropolis of Montr al In a politically charged region of Canada that is constantly on the verge of separating from the rest of the country he sets a solid foundation for what will become a rich career in Hospitality Upon entering this demanding but rewarding vocation he thrives and excels and unbeknownst to him will be catapulted to as of yet unimagined vistas With the soul of a nomad and a

heart of an adventurer he mixes drinks observes human behaviour and masters the subtle arts of taste and presentation Refining his skills he travels throughout his country weathering terrain and demanding positions anywhere between Quebec and British Columbia Expanding his horizons he explores the United States Europe Asia the Caribbean and the Mediterranean Whether on land or sea he serves celebrities wealthy travellers and fellow nomads from all walks of life Tasting both the bitter and the sweet along the way he rides the ebb and flow of the vibrant eighties and the turbulent nineties Observing the changing world around him while contemplating the shifting landscape within he evolves as a highly qualified Sommelier and Maitre d making a home wherever he lays his cocktail shaker and strainer Whether mixing a Pina Colada in Dorval serving beer to Prince Philip in Switzerland or enlisting in the Navy in Halifax the question remains Where will the insistent call to his heart's true home finally lead

First to Lie Marie Johnston, I'm living the dream My comic book shop supports me and my ailing mother and I have a chance to buy the strip mall it's in For only a dollar That is until my dear friend and landlord dies before the sale leaving the place to his estranged son who plans to shut my store down and sell the building If only I can confront my new landlord and convince him how much the place means to me and how much it meant to his father But he's ignoring my calls and my emails so I take it one step farther and track him down in his nightclub I should've done my research first I inherited all my dad's assets and ambition but none of his gullibility Some young thing tried scamming him out of a place worth millions and she thinks she can fool me So imagine my surprise when I hit on an insanely hot woman at my nightclub and learn she's the persistent comic book shop owner I've been avoiding She stopped in to find me but has no idea who I really am It's time to teach her a lesson Using a fake name I get close to her The only problem is I want to keep getting closer and to do that I have to keep lying
