Cyrano De Bergerac Book Online:

Cyrano de Bergerac Edmond Rostand, 2013-03-08 Hercule Savinien de Cyrano de Bergerac was a French dramatist and duelist. He is now best remembered for the works of fiction which have been woven often very loosely around his life story, most notably the 1897 play by Edmond Rostand. In these fictional works he is featured with an overly large nose which people would travel from miles around to see. Portraits suggest that he did have a big nose though not nearly as large as described by Rostand.

Cyrano de Bergerac Edmond Rostand, 2010-07-01 Very loosely based on the life of a French duelist and playwright, *Cyrano de Bergerac* is a play in verse that tells the tale of a soldier who is gifted with every imaginable positive attribute except that of a handsome appearance. Because of his perceived ugliness, including a disproportionately large nose, Cyrano feels unworthy of the woman he loves and vents his emotions via other, sometimes amusing, sometimes tragic channels.

Of the faithfulness of his rendering, those acquainted with the French language will easily judge, as they can have under the same cover the English of the translator and the French of the dramatist, and they will thus, it is hoped, acquire a clear and adequate conception of the beautiful picture which, thanks to Edmond Rostand, has restored life and brilliancy to the somewhat faded features of that eccentric philosopher-poet-hero and gentleman, Savinien Hercule de Cyrano Bergerac. At all events, those who were consulted, including the eminent publishers and the distinguished writer of the Introduction to this book, freely agreed with the author in his opinion that publication under the foregoing conditions could do no harm, while it might effect considerable good, were it only as an example in many respects, proving among other things that there are those even in America for whom impunity does not constitute right. About Edmond Rostand, the Author: His first play, a burlesque, *Les romanesques*, was produced on 21 May 1894 at the Théâtre Français. It would be adapted in 1960 by Tom Jones and Harvey Schmidt into the long-running American musical *The Fantasticks*. In L'Aiglon, he chose a subject from Napoleonic history suggested probably by Henri Welschinger's *Roi de Rome* (1811-32-1897).
