People of Kituwah John D. Loftin, Benjamin E. Frey, 2024-04-30 According to Cherokee tradition Kituwah is located at the center of the world and is home to the most sacred and oldest of all beloved or mother towns Just by entering Kituwah or indeed any village site Cherokees reexperience the creation of the world when the water beetle first surfaced with a piece of mud that later became the island on which they lived People of Kituwah is a comprehensive account of the spiritual worldview and lifeways of the Eastern Cherokee people from that beginning to today Building on vast primary

and secondary materials native and non native John D Loftin and Benjamin E Frey show how Cherokee religious life evolved both before and after the calamitous coming of colonialism This book offers an in depth understanding of Cherokee culture and society Page 4 of cover

Medicine Man - Shamanism, Natural Healing, Remedies And Stories Of The Native American Indians G.W. Mullins,2018-02-05 The legend of the Native American Medicine Man goes back for thousands of years Many of the Native Americans turned to the Medicine Man for the knowledge of mixing herbs roots and other natural plants that helped to heal various medical conditions But remedies were not the only part of the healing process Healing practices varied from tribe to tribe Many involved ceremonies and rituals that healed the spirit and mind as well as the body The end goals was to find a complete harmony within themselves their creator the environment and the people around them As was the way of the Native American Indians these practices were handed down from generation to generation by word of mouth They were never documented in writing Many tribes had no written language except for the Cherokee They in later years documented some of their practices for their preservation and history Today many modern medicines are based on plants and herbs that were used by the Indians Many of the remaining tribes continue to guard the knowledge of their medicine people and the subject will not be discussed with non Native Americans Many believe that sharing of the healing knowledge will weaken the spiritual power of the medicine In this book you will learn of the medicine man medicine wheels herbal treatments songs for healing and the ways of Body Mind and Spirit You will learn to channel the power of the universe and use it to be in better health and achieve life goals You will learn the ways of Native Americans and a forgotten path to inner harmony

Deep Waters Christopher B. Teuton,2018-11-01 Weaving connections between indigenous modes of oral storytelling visual depiction and contemporary American Indian literature *Deep Waters* demonstrates the continuing relationship between traditional and contemporary Native American systems of creative representation and signification Christopher B Teuton begins with a study of Mesoamerican writings Din sand paintings and Haudenosaunee wampum belts He proposes a theory of how and why indigenous oral and graphic means of recording thought are interdependent their functions and purposes determined by social political and cultural contexts The center of this book examines four key works of contemporary American Indian literature by N Scott Momaday Gerald Vizenor Ray A Young Bear and Robert J Conley Through a textually grounded exploration of what Teuton calls the oral impulse the graphic impulse and the critical impulse we see how and why various types of contemporary Native literary production are interrelated and draw from long standing indigenous methods of creative representation Teuton breaks down the disabling binary of orality and literacy offering readers a cogent historically informed theory of indigenous textuality that allows for deeper readings of Native American cultural and literary expression
