Cherubim Chariots Exploring The Extradimensional Hypothesis:

Cherubim Chariots Josh Peck, 2015-02-11 For years the extraterrestrial hypothesis has dominated the field of ufology. However, there is another theory that might provide more substantial answers to the UFO phenomenon. In *Cherubim Chariots*, researcher and author Josh Peck explores the fringe of the extradimensional hypothesis to show the stunning possibility that UFOs and their pilots originate from a higher dimension. **Back cover** **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been spiritualized for over a Millennium which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving it to another nation bringing forth fruit. There are only three Houses: the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then as they do today. However, most of today's Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today. The people groups which YAHWEH and YAHSHUAH addressed still exist today. However, these people are all mixed up and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology. This brings us to the major question: Is the Bible only about Israel? And if so, how does it affect our Eschatology today? This book answers these hard questions. *Biblical Eschatology:* Dr. Justin G. Prock, 2021-06-20 In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example, in 1861 John Mason Neale translated an ancient twelfth-century Latin hymn, and its title was "O Come, O Come Emmanuel." Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled "Seven Eighths of the Bible Misunderstood," wherein he explains that seven eighths of the Bible is about national salvation, i.e., the national salvation of True Israel, whereas only one eighth of the Bible is about personal salvation. Did you know that? In the 1960s, Pastor Sheldon Emery wrote an article titled "An Open Letter to Any Minister Who Teaches the Jews Are Israel," wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled "The Exclusiveness of Israel," wherein he legally proves, using the King James Version of the Bible, that the Bible in general is only about True Israel. So here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e., the Gospel of the Kingdom. So where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was

written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book

recognized as a work of monumental importance Chariots of the Gods endures as proof that Earth has been visited repeatedly by advanced aliens from other worlds Here Erich von D niken examines ancient ruins lost cities spaceports ufos and a myriad of hard scientific facts that point to extraterrestrial intervention in human history Most incredible of all however is von D niken s theory that we are the descendants of these galactic pioneers and he reveals the archaeological discoveries that prove it The dramatic discoveries and irrefutable evidence An alien astronaut preserved in a pyramid Thousand year old spaceflight navigation charts Computer astronomy from Incan and Egyptian ruins A map of the land beneath the ice cap of Antarctica A giant spaceport discovered in the Andes Includes remarkable photos that document mankind s first contact with aliens at the dawn of civilization *Chariots of the God's* Von Daniken E.,2000 **Chariots of the Gods** Erich Von Daniken,1999-01-01 THE SEVEN MILLION COPY BESTSELLER The groundbreaking classic that introduced the theory that ancient Earth established contact with aliens Immediately recognized as a work of monumental importance Chariots of the Gods endures as proof that Earth has been visited repeatedly by advanced aliens from other worlds Here Erich von D niken examines ancient ruins lost cities spaceports and a myriad of hard scientific facts that point to extraterrestrial intervention in human history Most incredible of all however is von D niken s theory that we are the descendants of these galactic pioneers and he reveals the archeological discoveries that prove it The dramatic discoveries and irrefutable evidence An alien astronaut preserved in a pyramid Thousand year old spaceflight navigation charts Computer astronomy from Incan and Egyptian ruins A map of the land beneath the ice cap of Antarctica A giant spaceport discovered in the Andes Includes remarkable photos that document mankind s first contact with aliens at the dawn of civilization **The Gods Never Left Us** Erich von Däniken,2017-11-20 The Long Awaited Sequel to the Worldwide Best seller Chariots of the Gods When Chariots of the Gods was published 50 years ago it began a worldwide change in humanity s view of the cosmos In an era of the military space race Erich von D niken boldly proclaimed that Earth had been visited by more advanced beings early in our history But prescientific man had no concept of space ships so he called their vehicles chariots and those driving the chariots became gods Over the next five decades von D niken s more than 40 books built an ever stronger case for Earth being visited by extraterrestrial visitors And Chariots became an international best seller with 30 million copies sold in more than two dozen languages Also during that time the case for ET visitations millennia ago was being reexamined by contemporary UFO researchers who found evidence of modern visitations And von D niken expanded his perspective to encompass the present Now he presents his long awaited sequel to Chariots of the Gods proclaiming that the gods never left us with all new material to show that ancient aliens are still with us The Gods Never Left Us contends that recent advancements in biotechnology astrophysics engineering and artificial intelligence not only give us a fresh perspective on his ancient astronaut theory but actually validates it We are as a race embarking on the exact same trajectory of our own interplanetary colonization just as von D niken suggested Earth itself was colonized ETs are definitely at work today And that

affects all of us Why do they do what they do What could an extraterrestrial species possibly gain from observing us in the same way we look at ants What have these strangers wanted for the past thousands of years Can t they leave us alone And what makes it so difficult for us to acknowledge the existence of these extraterrestrials That is what this book deals with Erich s newest book is a fascination journey from the ancient past into the present with a plethora of scientific evidence and documented research As always he adds his own to the point take on it all Readers may also like that his newest work moves in a slightly different direction from his past books A thoroughly enlightening and enjoyable Read Bruce Cunningham
