Joseph Mundasser P. P. Raveendran, 2002 *Womanwriting=Manreading?* J Devika, 2013-08-15 Devika brings to the reader the delight of reading a book rich in concepts and sources Contributions to Indian Sociology The Malayalam literary public is one of the most vibrant in India and thrives on the long history of widespread literacy in the state of Kerala It is well described as the beating heart of Kerala s public life Historically it has been the space in which entrenched power structures encountered their earliest challenges Not surprisingly then critiques of patriarchy in twentieth century Kerala were first heard and continued to be raised there even when they had become muffled in wider public discussion Womanwriting Manreading is a provocative take on some of the raging debates in Malayalam literature which surely resonate elsewhere But it also raises the important question can we tell the story of women s anti patriarchal writing in Malayalam in a way that highlights the force and drama of their confrontations with the male dominated literary establishment **Short Stories** Vaikom Muhammad Basheer, 1996 He Had Eventful Experiences In A Prison And An Asylum He Travelled With Sufis And Sanyasis And Did Odd Jobs At The End Of It Basheer Has A Bagful Of Stories Coming From The Man Who Alerted The Map Of Malayalam Fiction Five Decades Ago This Volume Of Short Stories Is Bound To Be An Unforgettable Experience

Sociology Through Literature S. Devadas Pillai, 2019-07-05 This book presents a comprehensive study of nearly 100 of Kaaroor s short stories Kaaroor Neelakanta Pillai is one among the Big Six of the new wave in Malayalam literature which began in the mid 1940s The Big Six and their immediate followers wrote about the common man peasants pavement dwellers fishermen rickshaw pullers underpaid school teachers their lives aspirations and vulnerabilities By treating Kaaroor s stories as case studies the book takes a sociological approach to understanding the representation of a wide array of themes romantic overtones erotic pursuits marital episodes issues of family lives of children behavioural patterns shades of greed the idea of spirituality and politics in Malayalam literature With its annotated transcreation and detailed commentary this book brings Kaaroor s works to the general reader and will be useful to scholars and researchers of South Asian literature English literature linguistics cultural studies besides those interested in Malayalam literature and the Malayali Indian diaspora across the world *Under the Bhasha Gaze* PP Raveendran, 2023-01-26 The book is a study of literature in India in the context of recent discussions on modernity and its theoretical extensions such as the everyday and the social imaginary It is a critique of the aesthetics and politics of modernity as they are embodied in Indian bhasha literature of the past two centuries The primary objective of the book is to explore the trajectory of modernity after Indian literature encountered colonialism in the early 19th century The intricate ways in which the bhasha imagination negotiated questions around concepts such as colonialism aesthetics the literary the historical and the social have received focused attention in the analysis Although the study acknowledges the European provenance of modernity as a historical idea it also recognizes the inherent complexity of the concept and its equivocal connotations when used with reference to the polyphonic bhasha communities in India

Theoretical issues debated in relation to modernity such as its conceptual affinities with the western enlightenment project its ideological investment in European aesthetics and its implication for the evolution of what might be called the hermetic aesthetic are significant to this study The work also examines the regional strengths of the social imaginary that render a conventionally conceived modernity inadequate in explaining the uniquely modern strengths of the Indian bhasha imagination

English and the Indian Short Story Mohan Ramanan, Pingali Sailaja, 2000 The essays in this volume seek to explore the genre of the short story in India and its relationship with English language and literature Various aspects of the question are taken up the impact of colonialism the way English has shaped or not short story writing why how and in what contexts English words are used feminist perspectives in the writings of women the Indian diaspora the teaching of the short story to Indian students and so on
